

You Are Not Alone

by R. Kelly

You Are Not Alone

VERSE 1:

Another day has gone, I'm still all alone
How could this be? You're not here with me.
You never said goodbye. Someone tell me why -
Did you have to go and leave my world so cold?

Every day I sit and ask myself, how did love slip away?
Someone whispers in my ear and says:

You Are Not Alone

CHORUS:

You are not alone, I am here with you.
Though you're far way, I am here to stay
You are not alone, I am here with you,
Though we're far apart, you're always in my heart
You are not alone.

You Are Not Alone

VERSE 2:

Just the other night I thought I heard you cry,
Asking me to come and hold you in my arms.
I can hear your prayers, your burdens I will bear
But first I need your hand that forever can begin.

Every day I sit and ask myself, how did love slip away?
Someone whispers in my ear and says:

You Are Not Alone

CHORUS:

You are not alone, I am here with you.
Though you're far way, I am here to stay
You are not alone, I am here with you,
Though we're far apart, you're always in my heart
You are not alone.

BRIDGE:

Whisper three words and I'll come running
And then you know that I'll be there
